

Caring. It's Our Calling.

For over 130 years, we've been serving our community through Christ-centered ministries which promote Hope, Dignity, and Purposeful Living. At Heritage, it's our vision to be a trusted leader in the provision of human services that model God's love.

What We Offer

INDEPENDENT LIVING

Independent living is for seniors who are able to live on their own and desire the conveniences of life within a community that provides services and amenities such as housekeeping, social activities, dining, transportation, and security. It might be time to consider independent living with Heritage if you're looking for a maintenance-free lifestyle in a vibrant community!

OTHER PROGRAMMING

Through our childcare services, children enjoy the benefits of intergenerational activities and relationships. Our state-of-the-art equestrian center offers programming for all ages.

ASSISTED LIVING

Assisted living is an option that provides care and support services such as meals, medication management, bathing, dressing, and transportation, if and when required. It may be time to consider assisted living if you or a loved one want to get back to living life to its fullest, while letting others assist in enjoying the details of everyday life.

SKILLED NURSING + REHAB

Heritage is committed to the happiness, care, and comfort of each individual served. We offer a wide variety of skilled and rehabilitation services, from therapy and restorative nursing to our Connections memory care/ Dementia program.
