FLEXIBLE SPENDING ACCOUNTS (FSA)

Medical FSA and Limited FSA

Heritage offers a Medical Flexible Spending Account (FSA) for employees who do not elect the High Deductible Health Plan (HDHP). An FSA allows employees to set aside, through pre-tax payroll deduction, a pre-determined amount of money to pay for out-of-pocket medical expenses. This plan follows the IRS-allowed items including many dental, vision, and over-the-counter items and includes a debit card. A Limited FSA is available for employees on HDHP plans to cover dental and vision expenses.

- ✓ The maximum election is projected to be \$3,400 for 2026. A pre-tax, employee funded spending account, ensuring a low-cost way to enhance employee benefits.
- ✓ \$500 of FSA funds can carryover to the next Plan Year.

Dependent Care Account (DCA). A DCA is for expenses for the care of dependents allowing an employee (or an employee and their spouse) to work or to attend school full-time. Eligible expenses for children (under age 13) include pre-school & nursery school program, day care, after school programs, etc.

- ✓ The minimum election is \$250 per calendar year.
- ✓ The maximum election is \$5,000 per calendar year.
- ✓ No carryover is allowed with Dependent Care FSA per the IRS; it is a use-it-or-lose-it benefit.
