Your Future In Healthcare Starts Here

Get Paid to Learn.

Train to Become a CNA!

Do you have a passion for caring for others? Take the first step toward a rewarding healthcare career with our paid CNA training program. Start as a Unit Attendant, gain hands-on experience in our communities, and attend our next CNA class.

Get paid while you train
Receive hourly pay for the time you spend in the CNA classes

Training costs are covered
We cover the full cost of program tuition in CNA testing fees

A clear path to certification
Complete in approximately five-week CNA training program after your initial probationary period

A pathway to a CNA position
A CNA position is guaranteed upon successful program completion and certification, subject to program requirements

No prior experience required
Bring your compassion and willingness to learn we'll help you build the skills you need.

Start making a difference! As a Unit Attendant you'll support residents and the nursing team by:

- Responding to resident call bells
- Supporting resident care by assisting with meals, hydration, and meal tracking.
- Help transport residents to and from meals, activities, and appointments.
- Stock residents rooms and supplies.
- Assist with light housekeeping, bed making, and dining room tasks.
- Provide companionship and support residents with one-on-one activities.

Your caring heart can take you places. Get paid to start your healthcare career.

Apply today at Heritage1886.org/careers for a Unit Attendant position and take the first step toward becoming a CNA.
